Gotland farmer cottages

Description

Choose an accommodation of high quality in our popular Gotland farmers cottages. All the cottages are located on idyllic places around the island. The Gotland farmers cottages are a unique cooperation between the farmers of Gotland, LRF and GotlandsResor. The cottages are carefully planned where each cottage has a personal style and decoration to it, all to make it as qualitative and comfortable as possible for you as our guest. The cottages keep a high, modern standard with an open design and are tastefully furnished and decorated. All of the cottages have got an open fireplace. All of the cottages are rentable all year around. During the highseason the cottages are rentable per week, the remaining time of the year they are also rentable per day. You can book our cottages online at www.gotlandsresor.se
